## **Boiler & Pressure Vessels Insurance**

This type of insurance provides protection against the dangers of explosion and collapse of boilers and pressure vessels. It is an all risks accident insurance that covers unforeseen and sudden physical loss of or damage (other than by fire) to the insured items and other property of the insured by collapse, explosion including flue gas explosion.

### **Cover**

The cover embraces material damage to boilers and pressure vessels. In addition, it includes cover for material damage to other property belonging to the insured, third party property damage and fatal or non – fatal injuries to third parties not employed by the insured, always provided that such loss is a consequence of a boiler or pressure vessel explosion or collapse.

### **Sum Insured**

The policy embraces three different sums insured: -

- Material damage (value of boilers and/or pressure vessels)
- Surrounding property (Limit of Indemnity)
- Third party liability (Limit of Indemnity)

This policy in addition covers all costs and expenses recovered by a claimant against the insured or incurred with the written consent of the insurer in defending such claim.
